

Deutsche Akkreditierungsstelle GmbH

Annex to the Accreditation Certificate D-EP-20480-01-00  
according to DIN EN ISO/IEC 17043:2010

Period of validity: 14.02.2017 to 13.02.2022

Date of issue: 09.03.2017

Holder of certificate:

**Institute of Metrology of Bosnia and Herzegovina**  
**Dolina 6, 71000 Sarajevo**  
**Bosnia and Herzegovina**

Proficiency testing in the fields:

**Determination of gold and silver in gold and silver alloys**

Abbreviations used: see last page

Testing field	Matrices / Products	Property / Testing Parameter	Proficiency testing scheme (examples)
Chemical testing	Gold and silver alloys	Mass fraction of the precious metals: Ag (800-999‰), Au (333-999‰)	IMBH.LH-PT.15 IMBH.LH-PT.16

#### Applicable Documents (Evaluation of PT)

ISO 13528  
2015-08                      Statistical methods for use in proficiency testing by interlaboratory comparison

#### Abbreviations used

Ag                              Silver  
 Au                              Gold  
 DIN                             Deutsches Institut für Normung (German institute for standardisation)  
 EN                              European standard  
 IMBH.LH-PT.15              Individual code of PT round  
 IEC                             International Electrotechnical Commission  
 ISO                              International Standardization Organization
