1. Contents of the list

This list contains the entire set of rules enacted by DAkkS which are considered general administrative regulations for DAkkS accreditation activities (Level 1), as well as horizontal or sectoral rules that specify or supplement the requirements of standards and, in particular, legislation for conformity assessment bodies (Level 3 and Level 4).

2. Access

This list is published on a daily base on the DAkkS website.

3. DAkkS rules

In the event that the English translation and the original German language version can be interpreted differently, the German language version remains the definitive version.
