Deutsche Akkreditierungsstelle

# Annex to the Accreditation Certificate D-PL-12024-06-04 according to DIN EN ISO/IEC 17025:2018

**Valid from:** **03.06.2026**

Date of issue: 03.06.2026

**This annex is a part of the accreditation certificate D-PL-12024-06-00.**

Holder of accreditation certificate:

**Bureau Veritas Consumer Products Services Germany GmbH**
**Mettenheimer Straße 12-14, 19061 Schwerin**

with the location

**Bureau Veritas Consumer Products Services Germany GmbH**
**Thurn-und-Taxis-Straße 18, 90411 Nürnberg**

The testing laboratory meets the requirements of DIN EN ISO/IEC 17025:2018 to carry out the conformity assessment activities listed in this annex. The testing laboratory meets additional legal and normative requirements, if applicable, including those in relevant sectoral schemes, provided that these are explicitly confirmed below.

The management system requirements of DIN EN ISO/IEC 17025 are written in the language relevant to the operations of testing laboratories and they conform to the principles of DIN EN ISO 9001.

**Electromagnetic Compatibility (EMC) and Telecommunication (FCC Requirements)**

*This annex to the certificate was issued by the Deutsche Akkreditierungsstelle GmbH (DAkkS) and is digitally sealed.*
*This annex to the certificate is only valid together with the written accreditation certificate and reflects the status as indicated by the date of issue. The current status of any valid and surveyed accreditation can be found in the directory of accredited bodies maintained by Deutsche Akkreditierungsstelle GmbH (www.dakks.de).*

Abbreviations used: see last page

| Section | Scope | Test Method(s) | Frequency (max. assessed) |
|---|---|---|---|
| USA | Unintentional Radiators (FCC Part 15, Subpart B) | ANSI C 63.4-2014<br>+ ANSI C63.4a:2017<br><br>American National Standard for Methods of Measurement of Radio-Noise Emissions from Low-Voltage Electrical and Electronic Equipment in the Range of 9 kHz to 40 GHz | 40 GHz |
